£600	Funds to pay for School Games competitions and travel to competitions.	To enable children to attend inter school festivals (School Games).

Sport Premium Sustainability

Wherever possible the PE and Sport Premium is used to create sustainable improvements and will benefit current pupils and pupils joining the school in future years in PE and School Sport by:

CPD for Staff

- Providing opportunities to continue to develop staff skills, knowledge and confidence which will impact on future cohorts of children, including ECTs.

Improving Community Links

- Creating and sustaining meaningful links between the schools and community clubs where coaches deliver in schools, children are taken to the club for School Games competitions or children are supported to transition into community sport.

Health & Well-Being

- Introduce the Forest Schools initiative to further develop mental and physical wellbeing for all pupils and to enhance provision for Outdoor and Adventurous activities.
- Further develop the Commando Joe's initiative to further develop mental and physical wellbeing for all pupils and to enhance provision for Outdoor and Adventurous activities.

Partnership working

- Continue to re-establish links that have been made with local schools to organise inter-school competitions and to share good practice. Establish links with new schools to increase participation in inter school competitions.

Some of the activities, programmes and support we are able to provide with the Sport Premium would not be sustainable without further funding or passing on the costs to the pupils.
