

St Mary's Superstars - Weekly creative challenges

Dear St Mary's superstars,

To go along with your home learning packs we are putting together a range of creative challenges each day for you to try. We have put them in a basic timetable for the week, but you can always alter which ones you want to try first. Remember you can share your achievements on Tapestry and don't worry if you can't do them all, but at least 1 per day should be a target to help you maintain your learning journey away from school.
